St. Martin's has had a relationship with the Diocese of Durgapur in West Bengal, India, since

2010. Through our visits, St. Martin's **India Ministry** has partnered with local people, developing relationships and serving the poorest of the poor – the “untouchables” and the tribal people. We have provided housing for children in a leper colony, established libraries, created a sewing center that trains licensed tailors, funded cataract surgeries, and arranged for the sponsorship of 41 children. In 2016, we funded a program of Anti Human Trafficking near the

border of West Bengal and Bangladesh. None of our work in India is proselytizing; most served are Hindu, Muslim or tribal.

Re-Member is a non-profit outreach organization that has co-existed with the Lakota people on the Pine Ridge Reservation in South Dakota since 1999. Re-Member reaches out to stitch the threads of relationship back together. More than 1200 volunteers come together annually from all over the world to serve the Lakota people. Volunteers learn the cultural traditions as they work to improve living conditions of the tribal members.

Pine Ridge Reservation is one of the most impoverished communities in N. America. Your contributions will help to provide bunkbeds, outhouses, porches, wheelchair ramps, and firewood. Website: www.re-member.org

Everyone needs a stable place to live! **Open Doors Kalamazoo** helps working families and individuals prevent and overcome homelessness. We offer temporary shelter, affordable housing, and personal relationship to over 250 local men, women, and children each year. We emphasize employment and personal responsibility. We welcome and celebrate the full diversity of the human community. We help the people we serve to become independent of our assistance. We are able to do all this thanks to the personal efforts of the people we serve and the generosity of our friends and neighbors in Kalamazoo County. More information is available at www.odkzoo.com.

The mission of **Kalamazoo Loaves & Fishes** is to feed hungry people and engage our community in the fight to end hunger.

A network of 24 pantry sites, Kalamazoo Loaves & Fishes (KLF) is the largest grocery assistance provider in Kalamazoo County. On average, KLF serves 700 people a day, providing them with nutritionally-balanced perishable and non-perishable food options. KLF also operates additional anti-hunger programs that specifically target the nutritional needs of children and low-income senior citizens. Supported by strong partnerships, invaluable volunteers, and generous donors, KLF works to reduce hunger through both direct service programs and anti-hunger advocacy.
